

# Wickenburg Clean & Beautiful

## *Keep Wickenburg Clean & Beautiful by Leaving No Trace*

There really are alternatives to littering and dumping in our fragile Sonoran Desert! Here are a few places that take garbage and recycle items at nominal to no cost to you:

CR&R Environmental Services at 4081 N. Industrial Rd. off Highway 60, past Sunset Park. This business takes garbage for a mere \$10.00 for 400# or \$50 a ton. They don't take hazardous waste such as oil, car batteries, and tires cost \$11/tire. (928) 684-0303

Auto Zone, O'Reilly's and Napa Auto Parts all take car, motorcycle, and marine batteries and pay you for their return. They all take used automotive oil, free of water.

Family Recycling at 3600 Industrial Road takes lots of items for free like refrigerators, washers, cars (they will pick up), aluminum cans, plastic bottles, all types of metal, electric motors, and more. (928) 684-2421

**Donation Centers:** These non-profit businesses take furniture like chairs, couches, tables, and other household items that can be used by others:

Goodwill: 2031 W. Wickenburg Way, Wickenburg

Soroptimist Thrift Shop: 74 W. Wickenburg Way, Wickenburg

The Pony 2nd Hand Store: 662 W. Wickenburg

Habitat for Humanity: 370 W. Center Street, Wickenburg

### **Free Dump Days:**

CR&R have free dump days in March. Watch for the dates in the Wickenburg Sun.

College Transfer Station has free dump days (they take tires!) March 18, 19, 20 and 25, 26, 27, 2021. Additionally, they take car tires off rims. for a mere \$0.50/tire and a bit more for larger tires.

Other smaller cities around Wickenburg have reduced fees for tires and free days.

Wickenburg Clean and Beautiful is responsible for this information. It is a volunteer group dedicated to educating young people about keeping the desert clean and helping to clean up after those who "haven't quite gotten the word yet." Volunteers always welcome for our monthly cleanups. Email [info@wickenburtrails.org](mailto:info@wickenburtrails.org).

## *Making a Donation to Wickenburg Clean & Beautiful*

The Wickenburg Clean and Beautiful (WCB) organization, a subgroup of the Wickenburg Conservation Foundation, a 501C(3) non-profit, is actively involved in cleaning up our desert surrounding Wickenburg. This organization was started by Dana Burton in the early 2000's and has been active off and on over the years.

As a result of some of the littering problems we have seen around Wickenburg and specifically, Box Canyon, each month a volunteer group, sponsored by WCB goes out to various areas around Wickenburg and cleans up litter. We need donations for the following items to continue our monthly clean-up activities:

1. Large black plastic garbage bags
2. Boxes of gloves, size medium and large
3. Cases of water for our volunteers as refreshments
4. A dumpster where the litter can be placed
5. A donation of free dumping of this litter. We will accept donations of these items and/or money so we can purchase them. Financial donations can be made to Wickenburg Conservation Foundation, P.O. Box 20008, Wickenburg 85358 or online at [wickenburgtrails.org/donatejoin](http://wickenburgtrails.org/donatejoin). Make the donation to "Wickenburg Clean and Beautiful".

Item donation can be made by emailing [info@wickenburgtrails.org](mailto:info@wickenburgtrails.org) and asking for us to pick up the items. Thank you!

Currently members of WCB are writing a grant to help with these items plus develop a comprehensive educational and Ambassador program but, if approved, this grant will take up to a year to obtain. In the meantime we would appreciate any donations you might wish to make to help us keep Wickenburg clean and beautiful!
